## PROFESSIONAL EXPERIENCE

### Independant Artist, Tel Aviv, Israel

Over the past 17 years I have completed numerous drawings and painting in various techniques, including oil, acrylic, crayons, graphite and charcoal. In recent years my artistic work has focused on architectural drawings, and I have sold works to both private clients and architecture firms.

2002-Today

### Erez Shani Architects (ESA), Tel Aviv, Israel

#### Architect

ESA is an emerging architecture firm, established in 2014. Planner, designer and co-manager of various projects: a research institute at Tel Aviv University; residential and commercial projects; office buildings; private housing and interior design projects in Tel Aviv Metropolitan Area (In association with architect Erez Shani).

November 2014-

November 2019

### Museum of the Jewish People Bet Hatfutsot, Tel Aviv, Israel

#### Architectural Consultant, Content researcher and writer

Member of the curating team of the new permanent exhibition at the museum. Responsible for content and image gathering and selection, archival research, and writing narration texts.

June 2014-

June 2016

### Moshe Zur Architects and Town Planners, Tel Aviv, Israel

#### Architect

Was head member of the design team planning the largest building project in Israel to date - "Azrieli Saron Center" in Tel Aviv, a 50-story skyscraper for use of offices and a shopping mall (total area 210,000 sqm.).

Prepared preliminary design drawings, prepared and coordinated building permits, drawings for tenders, marketing plans and building plans for construction.

September 2011-

June 2014

### Amnon Bar Or & Co Architects, Tel Aviv, Israel

#### Intern Architect

Was responsible for 10 projects of building conservation and additions to historic buildings in Tel Aviv and Jerusalem. My work included historic documentation, architectural planning of conservation works, and overseeing construction.

November 2009-

August 2011
